

Your Voice Matters

Attend a Community Event and Help Shape the Future of Charbonneau

Whether you enjoy a snack after a round of golf, a work out at the fitness center, Bunco night or other activities at the Clubhouse – you have a stake in the Facilities Improvement Project.

- What do you like about the Clubhouse?
- What would you like to see change?
- As the Board explores options for the former Restaurant Building and surrounding facilities, what do you want them to consider?
